Obsession™

Nandina domestica 'SEIKA' PVR

SHRUBS & GROUND COVERS

Obsession™ Nandina provides red foliage all year round.

- Obsession™ Nandina is the improved selection of the popular dwarf Nandina 'Gulf Stream'. It reaches the same height but has bright red new growth in spring, summer and autumn, with a full flush of red in winter.
- Keeps a dense upright growth habit and does not spread with age.
- The cultivar name 'SEIKA' means 'sacred fire' in Japanese and it was given this name because of the colour of the new growth.
